Christine

I forgot to pass along that I asked IRIS mgt on Monday about the BMDS storage plan that we plan to implement and got full support. I know we are on hold for the moment waiting for the new WA with ICF to be in place. I'd say that once we're back up and going with ICF, we send an email to the appropriate AMS and their BCs -- letting them know our plan -- and move forward!
Let me know if you have questions/suggestion Thanks, Sue
